## The President's Message

by Adolph Johnson

As spring is once again upon us, our thoughts turn to the planning and planting of new projects and goals that will culminate in the year ahead. Much thought and preparation should be given to what we hope to accomplish in the months ahead.

Just as we sow seeds in our garden in the spring, we should also sow new friends and new members to SUP. As we know, one seed cannot produce the beauty a whole package of seeds can. Yet, we also know each seed has its place in creating the total effect. So it is in each chapter — it takes each member. No matter how much we have to give, no matter how great or how small the contribution of each member is, in order for a chapter to grow and flourish each member is equally important.

### SEEK NEW MEMBERS

We should continually look for and seek new members, while at the same time our goal should be to reactivate inactive members. We should seek out these members and express our desire for them to become once again actively involved. Be enthusiastic about your membership. Make them aware of what being a member means to you. Encourage them to attend meetings and even go one step further by letting them know how much they have been missed and how much they have missed by not continuing to be active.

We are watching this spring for new growth in SUP. It is our desire that new chapters be made so that everyone so desiring can have the opportunity of belonging. It is the responsibility of all members to see that we continue to grow and branch out. What started out as a seedling has now grown to twenty-two chapters. However, our growth expectations should not end now. We should continue to spring ahead.

We should seek to cultivate new ideas into our chapters and watch as they blossom forth and see the fulfillment of our labors.

### PIONEER VILLAGE

Last year the ground work for the transfer of Pioneer Village to Lagoon was started. This May we will watch the completion of this historical project which will be enjoyed by all who come to see it. Much history will again be restored and the past will again be remembered.

### 1976 ENCAMPMENT

We should start now and continue these next couple of months to plan ahead for our encampment to be held in Provo, Utah, on August 12th, 13th, and 14th. This year's encampment will be held a month earlier than last year, thus making it essential that we let our membership know well ahead of time so that vacations and time off can be arranged. Much enthusiasm should be expressed toward our encampment at each meeting, and each member should be encouraged to attend. We will derive much enjoyment from this annual excursion. New and old friendships will be made — friendships that will continue to grow from this day on. Many plans are now being made in which we will endeavor to make this the best encampment ever held. However, without the support and attendance of our members it cannot be a success.

### UNITY OF PURPOSE

It is only through the combined efforts of our full membership that we can continue to grow and move ahead. "As we sow, so shall we reap." Idle hands will never see the fruit of their labor nor know the feeling of satisfaction that can come from working actively in SUP. Only by being actively involved and giving our full support can we reap the full benefits of being members of this worth-while organization.

Now is the time to formulate and put in motion new ideas and goals. From the fruit of our labor will come the knowledge that the seeds we have sown this spring will surely bring a bountiful harvest.

### AWARD NOMINATIONS DUE

Individuals or chapters may now make nominations for the following: Outstanding Individual, Outstanding Couple, Outstanding Chapter, according to Verl Petersen national vice president and chairman of the committee.

You may mail your suggestions to Verl Peterson at Brigham City or to SUP headquarters at 2998 Connor Street, Salt Lake City, Utah 84109. Include your reasons. Deadline is July 15. Winners will be recognized at the national encampment in August.

# PLAN NOW TO ENJOY 1976 ENCAMPMENT ON THE BEAUTIFUL BYU PROVO CAMPUS

Exciting activities are scheduled for the 1976 annual SUP encampment to be held in Provo August 12, 13 and 14, according to Alma King, the general chairman.

Headquarters for the convention will be at the Step Down lounge in the main lobby of the Ernest L. Wilkinson Center on the BYU campus where registration will begin at noon Thursday, August 12.

Optional choices for the afternoon include visiting the genealogical library, taking in a temple session or touring one of America's most beautiful campuses. In the evening welcomes will be given by President Dallin Oaks and Provo Mayor Grange. This will be followed by a program of early church history, "Through the Camera's Eyes." The evening will be topped off by a square dance on the Heritage Halls patio.

## SECOND DAY'S FUN

What do you want to do this Friday? Visit historical homes in Provo, see the Hutchinson Museum in Lehi, or ride the Heber Creeper train through Provo canyon to Heber, have lunch and return? In the evening, Brother and Sister Alvin Pack will put on their special program of slides called "Nauvoo at Night."

## MORE FOR SATURDAY

At 7 a.m. President Adolph Johnson will conduct a national SUP board meeting in the Presidents' Room at the Wilkinson Center. This will include breakfast for about \$1.85. By 10 a.m. the women will gather in the Skyroom for a special program: "The Spanish Trail and Father Escalante." Free lunch is served.

At 7 p.m. the President's Banquet will be held in the Ballroom with beautifully decorated tables around the perimeter. Dancing may be enjoyed in the center of the room. Cost of the banquet is \$6.75 per person.

# PIONEER VILLAGE SPRINGS

*By Dr. Orson D. Wright  
and Ken. G. Wiseman*

Since the summer of '75, Pioneer Village has been in the process of moving from its former site on Connor Street to fifteen acres of land in Farmington, Utah. The Village, now generously designated and officially called THE SONS OF UTAH PIONEERS' PIONEER VILLAGE by the Lagoon Corporation, is beautifully and appropriately situated at the Lagoon park.

## PROFESSIONALLY EXHIBITED

The integrity and heritage of the Village have been marvelously preserved, and the various displays will be presented to the public in a way never before possible. Each member of the SUP and each donor will be proud and pleased with the manner in which the Village and its displays have been brought to life and presented.

The committee expresses its sincere appreciation to the Lagoon Corporation for the excellent manner in which they have reconstructed and preserved the Village. Although some improvement and building yet remains to be done over the next two years, the buildings and displays far surpass expectations, and the Village even now can compete with contemporaries elsewhere.

As one now strolls up the main street looking north towards the "Rock Chapel," he may feel as though he is transported into another beautiful day and time. The buildings appearing altogether original in place and the village atmosphere together with appropriate and beautiful landscaping give the impression and feeling of a by-gone but retrievable era. You too will feel this atmosphere when you visit Pioneer Village.

## COMMITTEE SERVES WELL

The National Society of the Sons of Utah Pioneers continues to play an important role in the Village. The Village Committee, known as the SUP Pioneer Village-Lagoon Advisory Committee, advises and assists the Lagoon

## SORENSENS BUILT ORIGINAL VILLAGE

The original Pioneer Village was built and its displays collected by Horace and Ethel Sorensen. With their enthusiasm and hard work, the Village grew in size and in renown. It was deeded to the National Society of the Sons of Utah Pioneers by Horace and Ethel in 1954.

We will ever be grateful to the Sorensens for their generosity to the Sons of the Utah Pioneers and for their continued kindness and cooperation in the transfer of the Village to Farmington.

When the Pioneer Village is completed, two memorials will be placed therein. The first will be to Horace and Ethel Sorensen and the second to the National Society of the Sons of Utah Pioneers.

The Village was transferred to the Lagoon Corporation after several months of negotiating in June, 1975. The sale was approved by the membership. The Village will operate on a non-commercial basis.

## OFFICIAL OPENING CEREMONY

May 31, 1976, will be a red letter day for the Village at Lagoon. On that day at 11:00 a.m., an "Opening Service" will be held to officially open and commemorate "The Sons of Utah Pioneers' Pioneer Village." It is anticipated that Church and State dignitaries will participate in the service, which will be held on the "Village Green."

You are especially invited and urged with your families to attend this service. Members of the SUP, donors, and other guests will be specially invited. However, the service will be open to anyone who would care to attend.

## APPRECIATION TO LAGOON

Again we express our gratitude to the Lagoon people for their far-sightedness in the setting up and the operation of the Village, and SUP is pleased with the full cooperation Lagoon has given to them. We also

express our appreciation to the many donors who have been so generous and so pleased with the new Village. The Village now serves as a credit not only to the Lagoon Corporation, but to the Sons of Utah Pioneers and to the pioneer concept of our lives.

# PIONEER STORY CONTEST TIME SUBMIT ORIGINAL HISTORIES

The National Society of the Sons of Utah Pioneers invites entries in the 1976 pioneer story contest and will present medals in the senior and junior divisions of the competition.

The purpose of the contest is to encourage the researching and writing of the heroic deeds of the Utah pioneers and to provide a means for publication of some of the outstanding entries.

Each entry must be an original account of a true pioneer experience or biography, not exceeding 1200 words in length, and should be type-written double-spaced on one side of the paper only. Entries will become the property of the S.U.P. and will not be returned. Those intended for the Junior Division of the contest must list the age of the writer.

## DEADLINE

The contest deadline will be July 15, 1976. The awards will be announced at the annual S.U.P. Encampment to be held in August at B.Y.U. in Provo, Utah. The following awards are provided: Senior Division (18 years of age and older) — three medals; Junior Division (11 through 17 years of age) — three medals.

Chapter officers and members are requested to give local publicity to the contest and encourage entries from members and others.

Entries should be mailed to the Chairman, Oliver R. Smith, at 970 N. 1200 E., Provo, Utah 84601, or to the National Society S.U.P., 2998 Connor Street, Salt Lake City, Utah 84109.

# PROGRESS REPORT BY COMMITTEE

*by Dr. Orson D. Wright*

The "Search" committee, charged by the board of directors to study possibilities for a commemorative center and home, has been making some progress. The committee has met with key individuals and groups in Salt Lake City and feels that there are some excellent potential areas where the home might be established. As these possibilities develop, the board and membership will be appraised of them.

At present the committee feels quite optimistic about possible locations. One likely place that has been previously publicized is the Capitol Hill area.

Members of the committee are Joy F. Dunyon, President Adolph Johnson and George C. Lloyd, with Dr. Orson D. Wright as chairman. Budge Christensen and Howard Badger are serving as advisors to the committee.

# SUP TREK OVER THE ENTIRE USMB TRAIL WILL LEAVE AUGUST 28

Details for the big bicentennial trek over the U.S. Mormon trail are being completed rapidly as the August 28 starting date approaches, it is reported by Col. Fred M. Reese, national commander, who is supervising the project.

From Council Bluffs where Pres. Brigham Young called for volunteers from the Mormon pioneers, the trail will lead to Fort Leavenworth where the group of over 500 were outfitted for the 2000 mile march into the wilderness to secure the Southwest for the United States.

As part of the U.S. Army of the West, the Battalion moved through Santa Fe, Douglas, Tucson, ElCentro, Warner Springs, San Diego, Los Angeles, and then enroute back to Salt Lake valley they traversed via Sacramento.

Arrangements for special programs, church services and viewing historical points are being carefully planned. SUP members and families are invited to join in this special bicentennial trek which begins August 28 from Salt Lake City and returns Sept. 12.

# 1976 SEMINAR IS A SUCCESS

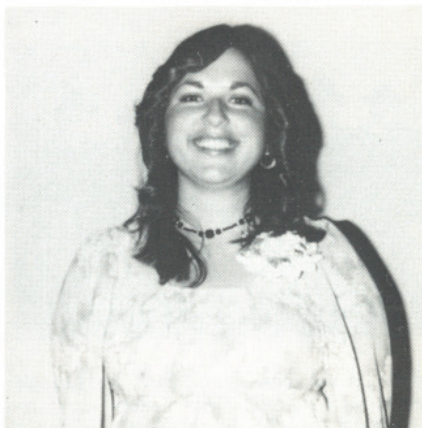

*Eileen and Joy Dunyon**President and Mrs. Ralph G. Bird, Sierra chapter, California.**Head Table*

Another highly successful and pleasant seminar was held for chapter officers and the national board on Saturday, May 1 at SUP headquarters on Connor Street under the leadership of D. Wesley Reese, national president-elect.

While the officers met in nearby Garden Heights ward to become updated on leadership techniques as they related to the responsibilities of chapter activities, the ladies met and heard a special program and book review.

Eileen Dunyon was in charge of the ladies' program and assisted her husband Joy F. Dunyon in the arrangements for the evening banquet and program. Eilene Gleason, a talented university student, entertained during the dinner with vocal solos and characterizations which pleased the audience. Joy Dunyon presented a movie short which depicted the early history and development of the Days of '47 parade up to its present stature of being the third largest in the nation.

Mr. and Mrs. Ralph G. Bird of the Sierra chapter traveled the farthest to attend the seminar. They reside in Fair Oaks, California.

## BUENA VENTURA CHAPTER

Layton, Utah — It is my understanding that Marion Allen and his grandson Michael Craig Allen are the oldest and youngest life members of SUP. Both have been president of their chapter.

At the annual chapter party the following officers were elected for 1976: president Michael Craig Allen, first vice president Weldon Roberts, second vice president Owen Horne, secretary-treasurer Ray Forbes, historian Leonard B. Blackner and chaplain George Woodland.

## ASSOCIATE MEMBERS

After months of study on the SUP constitution, Judge Advocate Milton V. Backman recommends that we retain the name associate for those members who do not come from pioneer ancestry, but that they have full privileges to vote and to hold office.

President Adolph Johnson asked the board of directors whether they favored such a consideration. He received unanimous approval.

Several chapters have requested such a change in membership regulations. It is hoped that this new proposal will be acceptable to all.

Consequently, this proposed constitutional amendment will be presented to the general business meeting for final approval at the next national encampment which will be held in Provo August 12-14.

11. The Recessional — read by Inez Ludwig and sung by the entire group, led by J. Spencer Cornwall and accompanied by Zora Jeppson

## SUGARHOUSE CHAPTER

The Sugarhouse chapter held its monthly meeting on February 23, 1976. A delicious dinner was served and an exceptionally fine program presented. Mr. Vernie Swensen and Mrs. Zora Jeppson presented a musical program and Dr. Milton V. Backman, Jr., Professor at Brigham Young University, showed some pictures and gave a talk on the Church in Ohio in the 1830's.

Dr. Backman has been assigned by the Church to write one of the volumes of the new Comprehensive History of the Church. He and his wife have spent considerable time in Ohio collecting materials relative to the Church, and he told of many of the spiritual experiences, visions and revelations of the Prophet Joseph Smith and others, especially in the Nauvoo Temple. One of the outstanding things he presented was that many of these manifestations were witnessed by other persons, and that their testimonies as to the truthfulness of the said manifestations are recorded and substantiate the testimony of the Prophet.

## SIERRA CHAPTER

On April 24 the Sierra Chapter sponsored a bus trip to San Francisco to the United States Mint Museum, the Marina for lunch, and Fort Point. At the mint we saw specimens of the Kirtland Banking Association currency with the original inked signatures of Joseph Smith and Sidney Rigdon.

NORMA RICKETTS was our speaker at the March dinner meeting which was held at the Sacramento East Stake Center, 2745 Eastern Avenue, Sacramento. A board of directors meeting preceded the dinner at 6:45 p.m. We enjoyed a fine meal and an excellent program. At February's meeting, Darwin Dailey of our chapter gave a historical recount on the Reorganized LDS Church which was very well received. We are fortunate to have talents like Brother Dailey and Sister Ricketts within our midst.

OUR MAY MEETING will be hosted by our El Dorado County members in historic Placerville and we are looking forward to that occasion.

## PAROWAN REPORTS

January 13th was the 125th birthday of Parowan being founded in 1851 under the direction of Brigham Young by a band of hardy pioneers led by Apostle George A. Smith, Parowan being the next city organized after Provo, Utah.

What made this particular January 13th so enjoyable and different was the very gracious presence of President and Sister Spencer W. Kimball, Apostle and Sister Gordon B. Hinckley and President Kimball's secretary Brother D. Arthur Haycock.

This birthday event is traditionally sponsored by the DUP and the Little Salt Lake chapter of the Sons of Utah Pioneers in Parowan. To this extent 1976 was no different than other years, but this is where the likeness to previous years' celebrations ends. This year was special in many ways, with a bicentennial theme overall.

A short welcome by Parowan's Mayor Kendall O. Gurr was given and then President Kimball thrilled those assembled with his remarks. Over 2000 souls attended the 11:00 a.m. program. Closed circuit TV carried it to the overflow audience throughout the High School. At 12:15 p.m. the traditional community lunch was held in the gymnasium and student commons. President Kimball and his party also participated in this event.

# SUP ASSISTS TUCSON STAKES IN THEIR WORTHY COMMUNITY PROJECT

SUP President Adolph Johnson reviews the troops.

By invitation from the two Tucson (Arizona) stakes, the SUP Battalion chapter sent a busload of "recruits" to support them with their entry in the famous annual motorless parade called La Fiesta De Los Vaqueros on February 26.

In a great display of leadership and community effort under the direction of stake presidents Arthur W. ElRey, Jr. and Don H. Peterson, 159 local men were uniformed and trained to participate in five companies representing the U.S. Mormon Battalion which raised the first historic American flag in Tucson in 1846.

## UTAH LEADERS PARTICIPATE

About a dozen men, including Adolph Johnson, national SUP president, rode horses in the impressive unit. Leading the military unit was Col. Fred M. Reese, national commander USMB. Both spoke that evening at a special program.

Following the parade, where the unit received a special award, the group met at the Stake Center and reenacted the raising of the flag which first occurred 130 years previously in Tucson. The Mormon Pioneers did not arrive in Salt Lake valley until 18 months after this event.

A movie company took pictures of the event, which may be used later in a documentary to publicize a new film to be called Zion's March.

## SOUTHERN HOSPITALITY

That evening, the Utah visitors were taken to the L.D.S. Institute on the University of Arizona campus for a program and refreshments. All the Utah visitors were given food and lodging during their stay in Tucson by the very gracious Church members. Leamon A. Reneer, a prominent and informed citizen of Tucson, took the visitors on a guided tour of the city to point out the significant early history of that area as it related to the U.S. Mormon Battalion. He is a grandson of Christopher Layton, who raised the first flag over Tucson in 1846 at the age of 25.

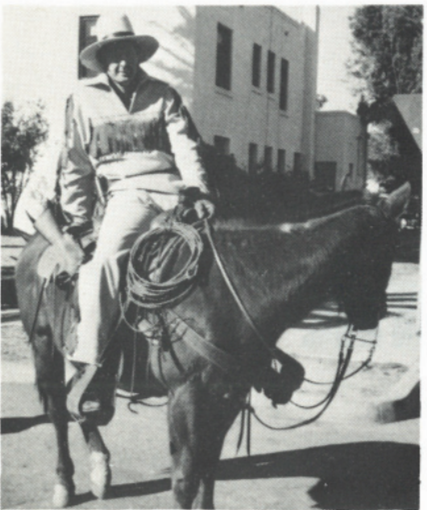

The Stake presidencies set the pace. Left to Right is President Arthur W. ElRey Jr. of the Tucson Stake with his Second Counselor Dr. Paul E. Dahl. Center is Col. Fred M. Reese, National Commander. From the Tucson North Stake are Second Counselor Jerry Timmons and President Don H. Peterson.

### UNIT IS ESTABLISHED

Officers selected and sustained to carry on the Battalion unit in Tucson were: Captain Wayne C. Goodman, 1st Lt. William T. Wells, 2nd Lt. Tanner M. Brown and 3rd Lt. Gayle S. Bell. Additional officers are: Chaplain Reed G. Thurber, Sgt/Mjr C. Brent Theurer and Platoon Sgt Larry L. Shupe. The two stake presidencies will serve as liaison officers.

The Utah travelers attended a session at the Mesa Temple enroute.

Thirteen years ago in 1963 the SUP and USMB sent six busloads of people to Tucson to enter this annual parade. They were awarded the grand sweepstakes trophy at that time.

## ADOLPH AND ELMA ENJOY EXTENDED TOUR

We would like to thank the officers of the Mormon Battalion for the invitation to join them for the parade at Tucson.

We had a very enjoyable time. The weather was so very beautiful and the people were so generous and hospitable. It was a very choice experience. The parade was surely something different, especially the ride in the parade by horseback.

After the events in Tucson were completed we journeyed on south to Tombstone and Nogales.

We then visited in Yuma with friends and enjoyed the beautiful desert and warm weather.

We traveled home through Quartzsite to St. George, where we were met by our usual Utah winter snowstorm.

We thank everyone for a pleasant trip.

# 200 years old & we're just getting started

First Security is just as proud of our country as anyone. In 200 years, America's done more, built more, progressed more, and accomplished more than any other civilization in history.

And, more important, we've done it as a free democracy.

First Security can't claim anywhere near the heritage our country can, but our roots do go back over 100 years. And that's an accomplishment all by itself.

But in this time of historical celebration, First Security is looking to the future. If the last 100 years have given us so much, what can the next hundred bring?

Today, we're a \$2 billion banking organization helping people buy new homes and cars, start new businesses, helping people cope with the complexities of the society we live in. And giving them the security to enjoy it.

Tomorrow, we plan to establish even more than the 132 offices we have now to bring person-to-person banking to even more people.

When our country was born, the area First Security serves was little more than virgin wilderness. Today it's a land of plenty. We'll keep working to keep it that way.

Mr. and Mrs. Morgan come from a dedicated and devoted pioneer heritage. Their ancestors endured many hardships. Some fought in the American Revolutionary War — some in the Civil War. The ones who came to Utah were sent by Brigham Young into Wyoming and Central Utah to colonize.

**ADAM: WHO IS HE? A Thought-Provoking Book  
for Every Serious Student of Theology**

**Adam:  
Who Is He?**

Mark E. Petersen

**\$4.95**

In the minds of many people, Adam, the first man, is a controversial figure. So is Eve, his wife. Together they are probably the most misunderstood couple who have ever lived on the earth.

Among the misconceptions concerning Adam is the theory that he was Deity. For years controversy has raged around this theory, as a result of a statement attributed to Brigham Young. Elder Petersen discusses this statement as well as numerous other theories concerning Adam. In a clear, concise way, he puts to rest theories that Adam was Deity, as well as claims that Adam and Eve and the Garden of Eden were myths. He establishes the fact that Adam, known as Michael the archangel in preexistence, was, in fact, the first mortal man, that he and Eve were created in the flesh by Deity, and that they had a mortal existence.
